

# SPIRITUAL GROWTH PLAN

## PRAY WITH YOUR CHILD

When we pray, our relationship with Jesus grows. It's important for kids to learn early that we can tell God anything AND that God wants to speak to us too.

## READ THE BIBLE WITH YOUR CHILD

The Bible is full of stories of God's great love for us. Share these stories as a family to help them become a part of YOUR story. Each week in KidCity, we explore a different story or idea from the Bible. It's a great idea to re-read the story with your child each week, and use the KidCity take-home resources for further conversation.

## SERVE

Serving is a key part of our spiritual growth. There are opportunities all around us every day to teach our children to serve others and share God's love.

## BRING YOUR CHILD TO CHURCH REGULARLY

Just like adults, kids need times of worship, prayer and learning in community. Each week in KidCity, we aim to meet kids at age-appropriate levels with music, teaching and activities. Our goal is for every child to have a consistent small group leader and peer group in which to explore topics of faith and growth. These leaders and conversations are a key part of reinforcing your discipleship efforts at home.

## LEAD BY EXAMPLE

No one has more influence in your child's life than you. If you want your child to pursue Jesus, show them what it looks like by devoting your own life to following him.
